

# PETS WITHOUT PARENTS MARCH'S FEATURED VOLUNTEER PAM COSNER

**What I like best about volunteering at PWP:** I like that Pets Without Parents is a small personal no kill shelter. The director is the best!

**My pets at home:** 4 dogs, Jordie, Izzy, Mattie and Riley-3 from PWP and 1 cat, Stella

**What I'd like you to know about me:** I want to save all the poor animals in the world, PWP lets me help in a small way.

**Where you can find me when I'm not volunteering at PWP:** Walking our dogs at the park or working in the yard.

**Dogs Rule or Cats Rule:** Dogs

**What's your advice to someone wanting to adopt a pet for the first time:** Know how much time you have for a pet. Active breeds like our herding dogs need lots of activities. But, they are worth it!

**What will you do when you retire?** Live on 100 acres. Take in all the pups, cats and wildlife that need it 😊

*Not only does Pam do PWP adoption events such as Petco and Mingle with our Mutts, but she's also an integral part of our fundraising volunteer team and fosters too. Thanks Pam....we couldn't do it without you.*
